

TERMS AND CONDITIONS OF IMECHE ENGTECH SCHEME APPROVAL

By signing the declaration in the application form, the company is agreeing to abide by the partner institution's requirements. For the IMechE this includes, but is not limited to, the following:

1. Adhering to EngC UK-SPEC Issue 4 and AAQA Issue 1 (Approval and Accreditation of Qualifications and Apprenticeships First Edition – EngTech)

- 1.1. On successful approval by IMechE, the qualifications embedded in your scheme will be deemed by the Institution to deliver candidates for registration with the Engineering Council (EngC) UK-SPEC Fourth Edition and the Approval and Accreditation of Qualifications and Apprenticeships First Edition (AAQA) EngTech competences.
- 1.2. The scheme holder is required to maintain familiarity with the requirements of UK-SPEC and AAQA.
- 1.3. Any significant changes which could affect how this scheme meets UK-SPEC and AAQA competences must immediately be notified in writing to the Institution (including changes in key personnel).

2. Approval Duration

- 2.1. Unless otherwise advised, scheme approval is granted for a period of 3 years.
- 2.2. At the end of the granted approval period, you should submit a new application based on the requirements of the UK-SPEC and AAQA at the time of the submission.

3. Activities with the IMechE

- 3.1. You commit to regular visits from an IMechE Business Development Manager (BDM) who will meet with candidates to explain benefits of membership, professional development and the next steps for professional registration for those who successfully complete the company scheme.

4. Your Organisation's Entitlements

- 4.1. You may use the IMechE logo in connection with promotion of the approved scheme. It should not be used in any way to imply the Institution endorses a particular product or service. The logo can be obtained by contacting the IMechE.
